

HEALTH & SAFETY POLICY

GENERAL STATEMENT OF INTENT

AFS Earthmoving & Aggregates LLP believes that excellence in the management of Health & Safety is an essential element within its overall business plan. A good Health & Safety record goes hand-in-hand with high productivity and quality standards.

People are the most important asset to this Company, and therefore we are totally committed to ensuring their health, safety and welfare at all times.

From an economic point of view, the Company believes that prevention is not only better, but cheaper than cure. There is no necessary conflict between humanitarian and commercial consideration. Profits and safety are not in competition. On the contrary, safety is good business.

From a legal perspective, the Company is committed to ensuring that it complies with all relevant Health & Safety legislation. Where it is reasonably practicable to do so, the Company will strive to go beyond the requirements of legislation. The Company is committed to on-going monitoring and review processes, so that continual improvement in the management of Health & Safety can be achieved.

Our general intentions are:

- To provide adequate control of the Health & Safety risks arising from our work activities;
- To consult with our employees on matters affecting their Health & Safety;
- To provide and maintain safe plant and equipment;
- To ensure safe handling and use of substances;
- To provide sufficient information, instruction and supervision for all employees;
- To provide adequate training to ensure all employees are competent to carry out their tasks;
- To prevent accidents and cases of work-related ill-health;
- To maintain safe and healthy working conditions for all staff;
- To review and revise this policy at regular intervals.
